THE PUG

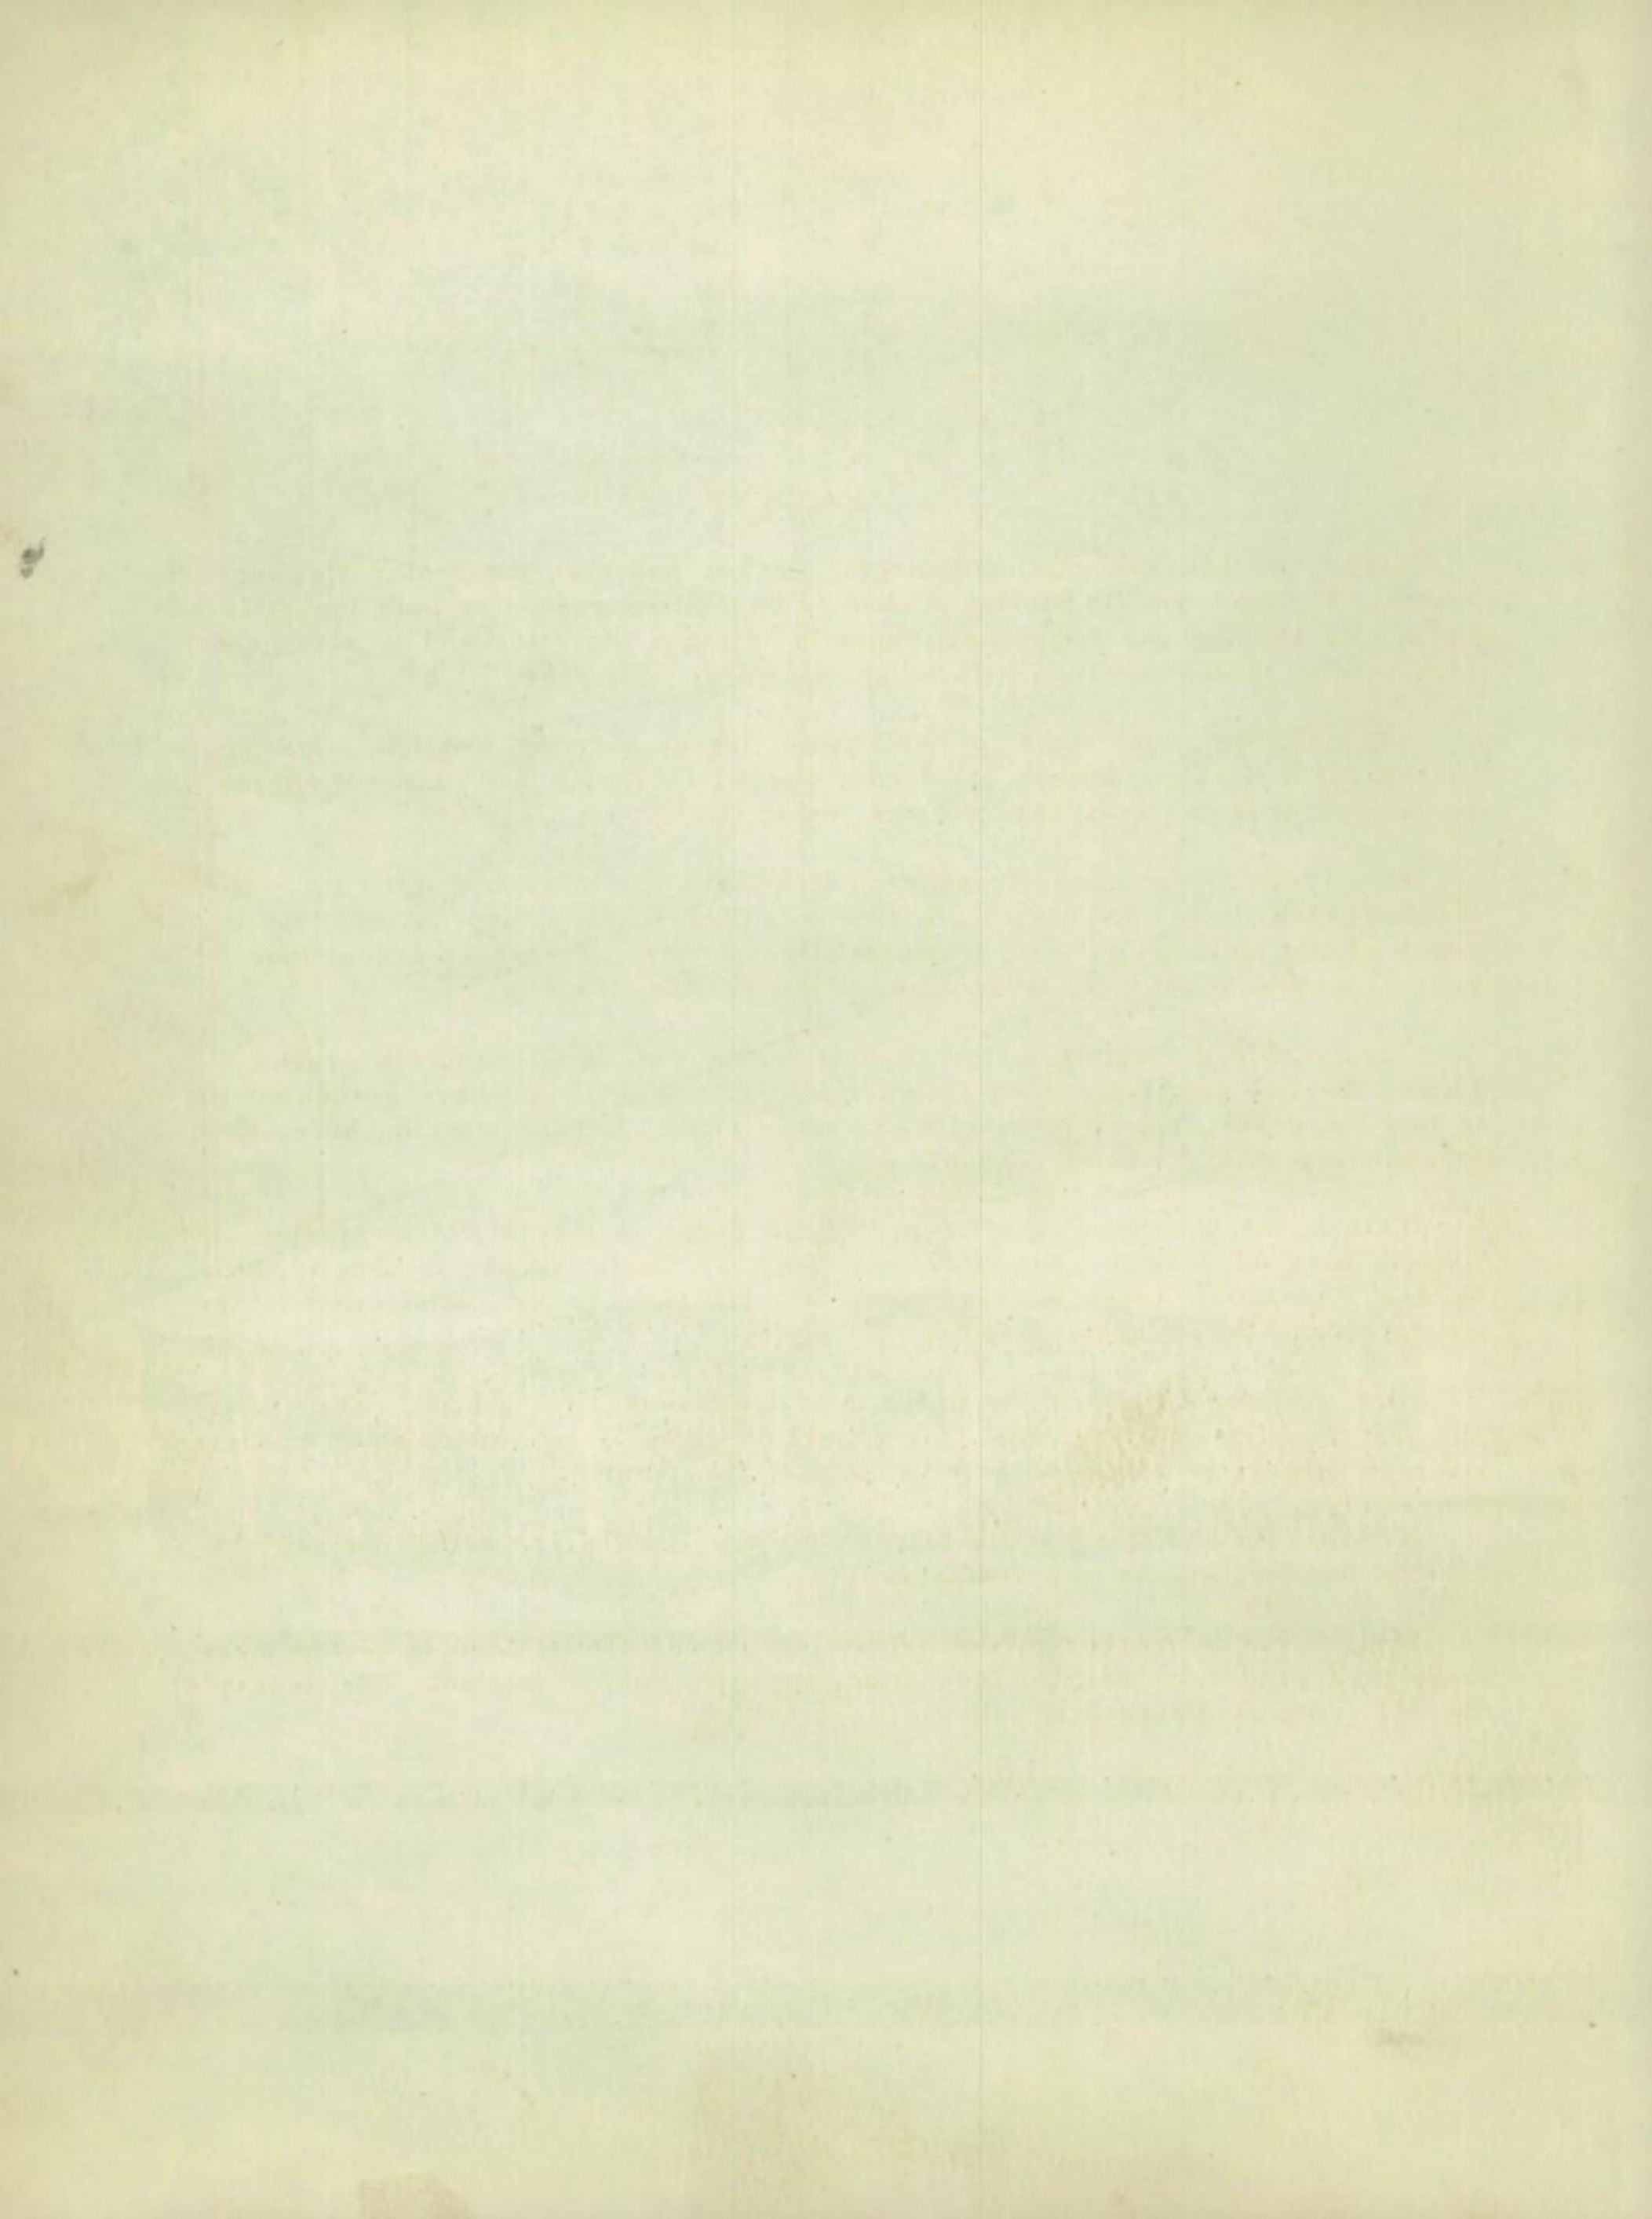

DEDICATION

DEDICATION

To one who has many times led our Pugs and
Puggetts to Victory, we sincerely dedicate our
annual. His popularity with the team is excelled
only by his popularity with the entire student
body. The man? Coach J. W. Little.

FACULTY

FACULTY

Mr. J. W. Little is our commercial teacher and also the Senior sponsor. He teaches Typing I and II, Shorthand, and is basketball coach for both the girls and boys. He has led our Puggs and Puggetts to many victories and is also good commercial teacher. Mr. Little taught at Wayne last year.

Miss Goldie Stults came to Paoli from Hughes to teach English. She has four English Classes, Speech class, and keeps study hall one hour. We think she is doing a good job as sponsor of the Junior Class.

Mr. Elmo Ray is also a teacher that we can put in a good word for. He teaches Agriculture, Science, U. S. History, Okla. History, and Civics. He is coach of the Junior High girls basketball team. Mr. Ray taught school last year at Cotton Wood. He is sponsor of the Freshman class.

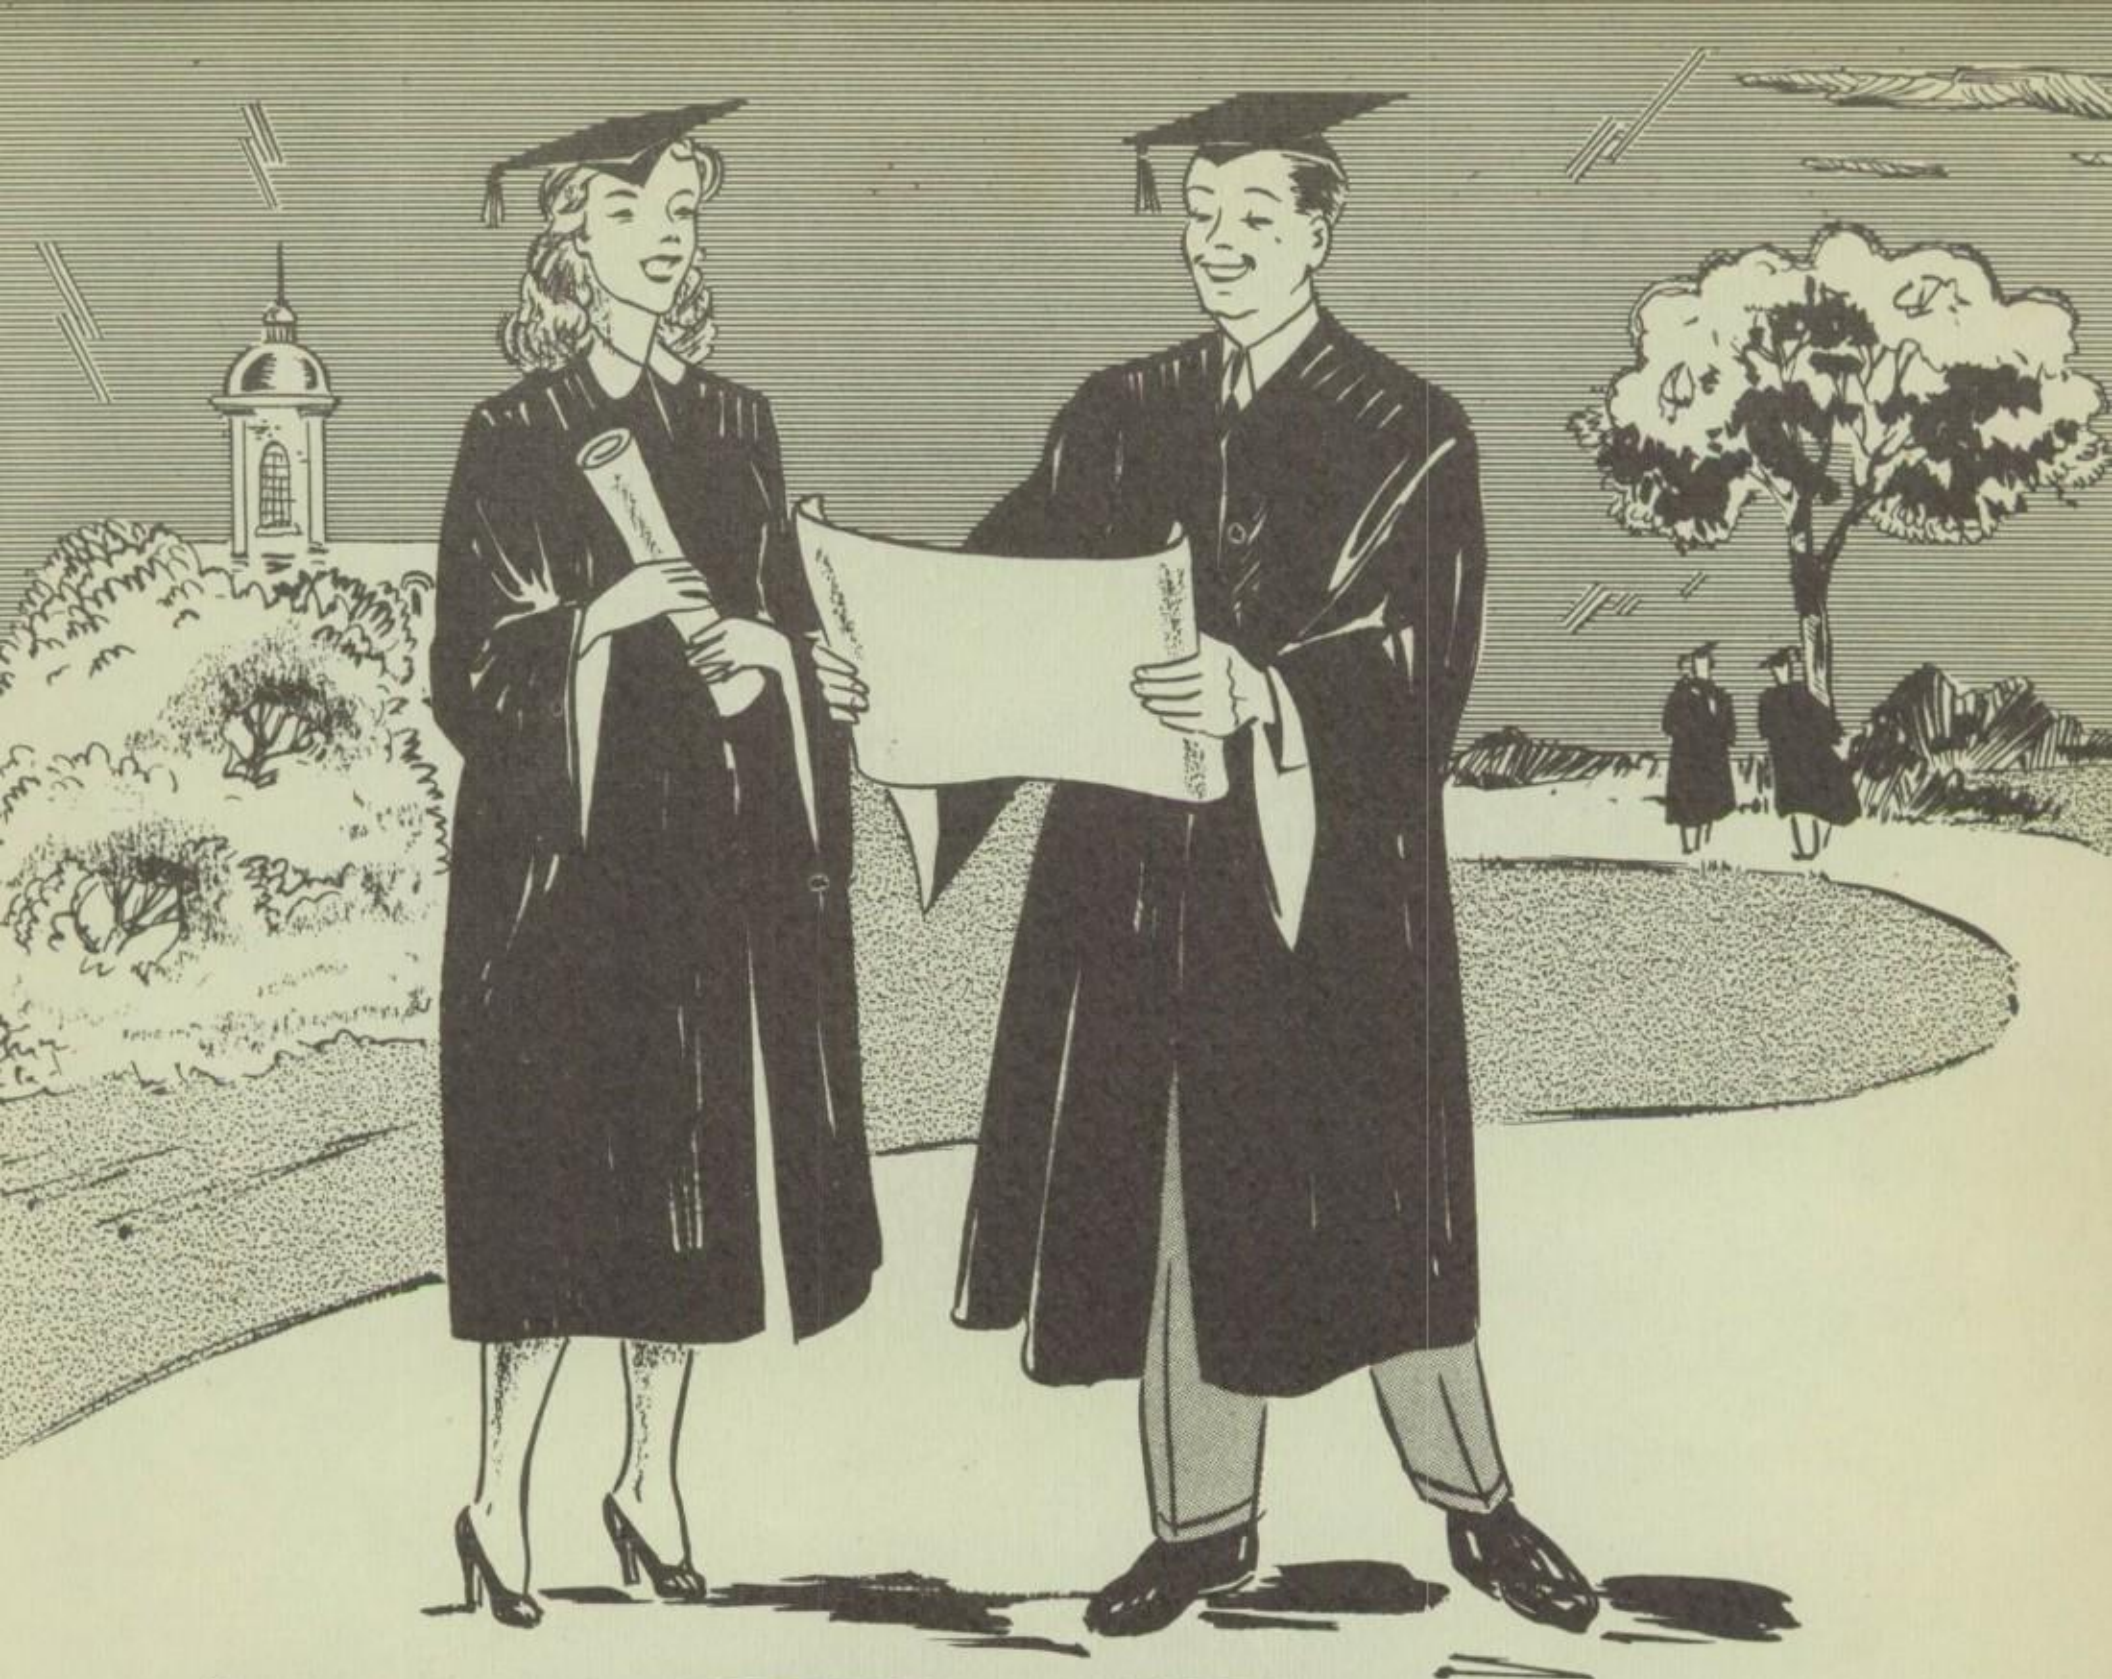

Mrs. Clifford Mauldin is the capable teacher of the 7th and 8th grades. During the two years has been teaching here, many students have graduated out of her 8th grade class who excelled in their work. Before teaching here, Mrs. Mauldin taught at Florence Chapel.

This is the first year for the pretty 6th grade instructor, Mrs. Maxine Dotson, to teach school. Everyone realizes that the first year is usually the hardest, but Mrs. Dotson has overcome this difficulty to the satisfaction of her employer and the students parents.

Mrs. Campbell teaches the industrious fourth and fifth grades. She, with Mr. Campbell, taught at Pernell for 14 years. She has shown splendid cooperation with everyone and is regarded highly in the community.

The second and third grade teacher is Mrs. James Caldwell. She is very capable and is liked by her students.

Mrs. Little is teacher of the primary and first grade. She is giving these students a good start on their education, which is very important. She taught the 4th grade at Wayne last year.

SENIOR CLASS HISTORY

In 1936 two tiny tots started to school at Paoli in the primary class of that year. They were, namely, Ruth Josephine Sterling and Harold Milton Yoakum. Out of the large class they were in, only the two of them went to Paoli throughout all of their grade and high school years.

When these two were in the fifth grade, in 1941, Betty Lou Powell enrolled in school at Paoli. Her parents had moved from Scoby where she had gone to school the previous five years.

The following year Joy Beatrice Elkins started to school at Paoli in the sixth grade. She had previously gone to Union Springs. Joy was to become an outstanding 4-H Club member.

In 1943, Kenneth Leroy Bechtel started to school here in the seventh grade. He had been attending school in Edmond.

In the year of 1945 there were 23 Freshmen in Paoli High School. By some miracle, this class escaped being initiated. In this class there were 12 students who finished their high school days together at Paoli along with those who came here later.

Blanche Dell Sumner and Thomas Alvin Stephens graduated from grade school at Cross Roads and were among those Freshmen of '45. Also there was Betty Sue Whitaker from Scoby; Betty Jean Ferguson, Edmona Louise Richard and James Carter Whitley from Florence Chapel; and Willy James Southwell from Randolph.

During the Sophomore year of these students Albert Joe McDaniel enrolled in school here. He had previously gone to school at Pauls Valley.

The following year, 1946, Frances Maureen Womble and Ouida Katherine Bingham entered school here with our class as Juniors. Maureen came from Hot Springs, Arkansas and Ouida came from Wynnewood.

At the beginning of our Senior year, Alma Pearl Avery and Ralph Ernest Hawk became students at Paoli High. Pearl came here from Stuart, and Ralph had been going to school at Pauls Valley.

Mary Ann Riley is also a Senior who will graduate this year. She has gone to Paoli all four years of High School.

The Freshman sponsor of this class was Mrs. Rose Messer. In the Sophomore year Mrs. Hazell Harrison was chosen to sponsor this group. As Juniors, Miss Winnie Yeats was unanimously elected as sponsor to help lead this group through their Junior year. Mr. J. W. Little became the sponsor in the Senior year.

The entire Senior Class wishes to express their gratitude to those four sponsors, especially to Miss Yeats and Mr. Little, who led this group through their active Junior and Senior years.

Class Will (Continued)

To the SCHOOL, we leave our composite of pictures hanging in the hall to remind them of their great loss.

To the JUNIORS go our happy senior days. May they have a colossal time as we did during our last year.

To the FACULTY--our sincere thanks for the help and guidance you have so freely given us. It is great to remember our teachers as real people who have the future of America at heart. It is in this way that we shall always remember you. The seniors greatly appreciate your work.

CLASS PROPHECY

Listen, O' ye men and women, youths and maidens, and little children. Listen all ye people of Paoli, to the words of wisdom from the lips of your prophet. As you know the class of 1948 is on the last lap beginning on the homeward stretch. What will become of us is an exciting story, but I will try to give you some idea.

I predict that:

KENNETH BECHTEL will be trying to invent a larger desk for his feet when he becomes manager of the Shredded Carrot Company.

OUIDA BINGHAM will be eagerly looking for the return of her husband, who is a sailor in the South Pacific.

RUTH STERLING will complete her beauty course and we predict that her husband will be her guinea pig for hair styling. No wonder he's bald-headed.

ALVIN STEPHENS will be shooting a lot of bull in Texas. He owns the 101 Dude Ranch there.

JOE McDANIEL will be clerking in a certain grocery store here in town.

BETTY JEAN FERGUSON will be stuck up over her job. She is chief stamp licker at the post office.

WILLY SOUTHWELL after losing his 173rd week-end will take to aviation looking for his hearts desire.

MAUREEN WOMBLE will join Elden Michael on a hunt into Africa after which they will settle down in a native village and teach them singing.

EDMONA RICHARDS will enter a highly polished profession. She will be with the Wonder Wax Company.

HAROLD YOAKUM AND RALPH HAWK are now engaged by the Savamore Oil Company in South America, after spending 10 years in College trying to get their degree in Petroleum Engineering.

JAMES WHITLEY will be "Sailing, Sailing, Over the Bounding Main" as one of Uncle Sam's Capable Sailors.

BLANCHE SUMNER will be owner of the Mamselle Designing Shoppe in New York, but her thoughts will be deep in the Heart of Texas.

MARY ANN RILEY will be patiently waiting for the right man to come along.

BETTY LOU POWELL will be the capable and efficient Secretary to the Governor, but with all interests centered at Norman.

PEARL AVERY will be happily married to Mr. Stephens and living in Pauls Valley. Going to the dogs will bring them great success. They will own the only complete flea circus in existence.

Class Prophecy (Continued)

SUE WHITAKER will not be particular. She will be contented living in Pauls Valley or Union Springs, either.

JOY ELKINS and Billy Goodman will be expecting the patter of little feet. Their new Cocker Spaniel has just arrived.

When a prom becomes a kidnapping fiasco, something is amiss. The fly in the ointment is Laurie, who won't let other girl's boyfriends alone. She refuses to settle on one man, so Jinx and her chums plan to have her spirited away by Socki. Eddie Fowler, intent on doing something daring for a change, runs off with Laurie in her big Cadillac instead of Socki.

Hours later, Eddie reports that the car is somewhat damaged and that Laurie has run off into the woods. In the mean time Laurie's mother circulates the report that her daughter is kidnapped, Eddie is arrested, and when Laurie secretly returns that night and hatches a plan to get him convicted, Jinx intends to quiet her by tying her in the locker room. There's a lot of confusion. By the end of the third act Laurie has been found and everyone is in place. Before the final curtain, a phone call is received from the Governor saying that Laurie has been found many miles away and kidnappers are being held. This brings a howl from the audience.

Her father is county sheriff; her brother, a no-account cattle rustler; her admirer, a deputy United States Marshall. How Pat Clancy, the marshall, wins Mollie's love even while pursuing her lawless brother; how her dad, torn between his duty as sheriff and loyalty to his son, chooses the hard, straight path; how Mollie, devoted to father and brother and to keeping up the old homestead, finally recognizes Pat as a protector and lover.

GARVIN COUNTY GRADE SCHOOL TOURNAMENT

The county tournament was held in Paoli again this year, and was a very successful one.

The "D" boys contest was won by Corley after the defeated Parks in a hard fought battle 16-15.

The Katie Girls took the "D" girls division easily by defeating Prairie Grove 31-15.

In the "E" boys contest the Erin Springs boys conquered the Beaty boys by a score of 21-9.

The "F" girls tournament proved a good game with Pernell finally emerging victor over Hughes 22-16.

The main game in the finals should have been the "F" boys with Pauls Valley and Wynnewood competing, but it was uninteresting with Wynnewood winning easily 20-2.

GARVIN COUNTY HIGH SCHOOL TOURNAMENT

Two of the tournaments which the Paoli Puggettes entered this year were the Wayne Invitational Tournament and the County Tournament at Pauls Valley. In the Wayne Tournament they played the Addington team, and after a very close game, came out loser by 2 points, 32-30.

They were more successful in the County contest as they beat Lindsay 33-21, only to get beat out in the next game by Elmore City, 37-21. Elmore City went on to win the Tournament.

The Paoli Pugs entered the Lexington-Purcell Invitational Tournament this year. Their first game was with Bradley, who they defeated 27-9. They next played Purcell, on Purcell's court, and were nosed out 35-34. This loss put them in the consolation matches, in which they beat Verden 28-21, and Dibble 33-21, to win the consolation trophy.

DISTRICT TOURNAMENT

In the District Tournament this year, all the teams withdrew except Paoli and Hughes, so the Paoli-Hughes game at Purcell on Saturday, February 28, was the final game of the class "C" Tournament.

The starting lineup for Paoli were: Harold Yoakum, Lonas Story, J. V. Shatley, Jack Sumner, and Clifford Arney. These players played the whole game

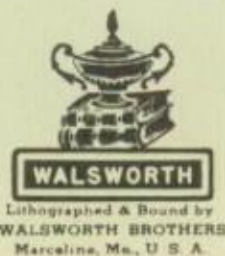

Paoli made the first score but it was soon matched by Hughes when Mann made a set up. The pugs made two more baskets, and the quarter score was Paoli 6, and Hughes 2.

Paoli was still in the lead at half-time 11-8. At the half, Yoakum had 2 fouls and one field goal. Shatley had one free throw, Sumner had two field goals and one free throw, and Arney had one free throw. Shortly after the half, the Hughes team caught up with the Pugs and the game was tied 12-12, but this was the only time they even equaled the Paoli Team for the Pugs pulled away and stayed ahead the rest of the game.

The end of the game showed Paoli ahead, 27-21.

The total points were Yoakum-8, Story-9, Shatley-1, Sumner-7, and Arney-2.

The Pugs won the District Class "C" trophy for this victory.
